

### FACT SHEET

#### Line description

**STEUER BLUE LINE** is the Masters series for German clarinet. They are built around a thicker blank than the White Line series and are specifically designed for demanding players to suit the characteristics of German models.

STEUER reeds are crafted with the highest standards of quality, exclusively using premium cane grown 100% naturally at Steuer's fields in the Var in France.

#### Model description

- Universal cut combining the best of Viennese and German traditions
- Recommended for German mouthpieces
- Highest quality, profiled and selected manually for the most demanding musicians,
- using the very latest technology
- Ideal for professionals
