#### Line description

The **STEUER CLASSIC** reed (purple box) is widely popular among student and professional circles. The reed is expertly built around a thinner vamp cut for ease of play. The tip of the reed, where the vibration is more intense, has been designed to offer excellent projection in all registers and to enable more precise attacks.

STEUER reeds are crafted with the highest standards of quality, exclusively using premium cane grown 100% naturally at Steuer's fields in the Var in France.
