The new **STEUER TRADITIONAL** reed for Saxophone (purple box) offers astonishing playing possibilities. The tip of the reed, where the vibration is more intense, has been expertly designed to offer excellent projection in all registers and to enable more precise attacks. The reed is built around a thick blank of greater density for a warm sound, deep and rich in harmonics. STEUER reeds are crafted with the highest standards of quality, exclusively using premium cane grown 100% naturally at Steuer's fields in the Var in France.
